3. TO GRANT APPROVAL FOR AMMENDMEND IN THE MATERIAL RELATED PARTY TRANSACTIONS WITH DYNAVISION GREEN SOLUTIONS LIMITED (SUBSIDIARY COMPANY)

The Audit Committee and the Board of Directors of the Company, at their respective meetings held on August 12, 2026, have considered and approved the proposed material related party transaction with Dynavision Green Solutions Limited ("DGSL"), subject to the approval of the shareholders, in accordance with Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

Pursuant to Regulation 23 of the Listing Regulations, a related party transaction shall be considered material where the transaction(s), either individually or taken together with previous transactions during a financial year, exceed 10% of the annual consolidated turnover of the Company as per its last audited financial statements, subject to the applicable threshold prescribed under the Listing Regulations.

The annual consolidated turnover of the Company for the financial year ended March 31, 2026 was Rs.15.69 Crores. Accordingly, the proposed related party transactions with DGSL, having an aggregate value of up to Rs.30 Crores, falls within the ambit of material related party transactions requiring approval of the shareholders.

The management has placed before the Audit Committee all relevant information and details relating to the proposed transactions, including the material terms and the basis of pricing, in accordance with the applicable Industry Standards on "Minimum information to be provided for review of the audit committee and shareholders for approval of related party transactions". After reviewing the information placed before it, the Audit Committee has approved the proposed related party transactions with DGSL, subject to approval of the shareholders, for an aggregate value of up to Rs.30 Crores.

The Audit Committee has noted that the proposed transactions shall be undertaken on an arm's length basis and in accordance with the business requirements of the Company and DGSL. The proposed transactions are expected to be in the best interests of the Company and its Members and shall not be prejudicial to the interests of the shareholders.

The Audit Committee has also reviewed the certificate provided by the Managing Director and Chief Financial Officer of the Company, as required under the applicable RPT Industry Standards.

The details of the proposed related party transactions, including the information required to be disclosed in the Explanatory Statement pursuant to the applicable Industry Standards and the SEBI Master Circular dated January 30, 2026, read with the relevant circulars dated June 26, 2025 and October 13, 2025, are set out in the table below.

Previous Related Party Transaction Approval

Pursuant to regulation 23(4) at the 50th Annual General Meeting, the shareholders had approved loan/guarantee transactions between the Company and DGSL for an aggregate value of up to Rs. 100,00,00,000/- covering the past and, future transactions in connection with the Phase II expansion of 477 kW. Pursuant to the aforesaid approval, the Company had extended financial assistance of Rs. 2,40,00,000/- and guarantee of Rs.29,89,00,000/- to DGSL. The Phase II expansion has now been completed, and DGSL has commenced repayment of the outstanding amount in accordance with the agreed repayment schedule.

Superseding all earlier approvals, present approval for limits upto Rs. 30,00,00,000 (Rupees thirty crores only) is sought as fresh approval with a validity of 10 years from the date of contract.

Based on the recommendation and approval of the Audit Committee, the Board of Directors recommends the Resolution set out at Item No. 3 of the Notice for approval of the shareholders by way of an Ordinary Resolution.

Except for the interested party none of the Directors, Key Managerial Personnel of the Company or their respective relatives is concerned or interested, financially or otherwise, in the Resolution set out at Item No. 3.

MANAGEMENT DISCUSSION AND ANALYSIS

Management Discussion and Analysis forms part of the Annual Report to the shareholders and it includes discussion on matters as required as per Companies Act 2013.

1. OUTLOOK

Global Economy

According to the **IMF World Economic Outlook (April 2025)**, the global economy is expected to experience moderate growth amid evolving trade policies, geopolitical uncertainties and tighter financial conditions. Global growth is projected at 2.8 percent in 2025 and 3.0 percent in 2026. While growth in advanced economies is expected to remain modest, emerging market and developing economies are projected to continue contributing significantly to global economic expansion despite external headwinds. The global outlook remains subject to risks arising from geopolitical tensions, trade policy uncertainties and inflationary pressures, although easing financial conditions and continued technological advancements are expected to support medium term growth.

Economy

The Indian economy continued to remain resilient during FY 2025–26, supported by robust domestic demand, sustained public infrastructure spending and healthy private sector investments. Continued policy support, increasing capital expenditure and stable macroeconomic fundamentals have strengthened economic activity across sectors. The renewable energy sector continues to receive significant policy support, creating long term growth opportunities.

2. INDUSTRY STRUCTURE AND DEVELOPMENTS:

The Company is currently engaged in leasing of its own property. The Company's subsidiary, Dynavision Green Solutions Limited, continues to operate its 6.477 MW solar power generation facility. The Company continues to explore suitable business opportunities in the renewable energy and other emerging sectors.

SOLAR INDUSTRY

India's transition towards clean energy has gathered significant momentum over the last decade, driven by rising electricity demand, climate commitments, and the need to enhance long term energy security. Solar energy has emerged as the fastest growing source of renewable power due to declining technology costs, improved efficiency of photovoltaic modules, and strong policy support from both the Central and State Governments. The country's renewable energy strategy is focused on increasing the share of clean energy in the overall power mix while reducing dependence on conventional fossil fuels.

Tamil Nadu continues to be one of India's leading renewable energy states, supported by abundant solar irradiation, strong wind resources, and a well developed transmission network. The State has consistently remained at the forefront of renewable energy adoption and has set ambitious targets for expanding solar and wind capacity over the coming years. Large scale utility projects, rooftop solar installations, captive power plants, and hybrid renewable projects are expected to play a crucial role in meeting the growing electricity requirements of industries, commercial establishments, and households.

South India as a region has emerged as the country's renewable energy hub, with Tamil Nadu, Karnataka, Andhra Pradesh, Telangana, and Kerala collectively accounting for a substantial share of India's installed renewable energy capacity. Favorable climatic conditions, availability of land in suitable locations, proactive state policies, and increasing private sector participation have accelerated investments in utility scale solar

parks, floating solar projects, energy storage systems, and green hydrogen initiatives. The integration of renewable energy with battery storage and smart grid technologies is expected to further improve grid reliability and facilitate higher penetration of clean power.

According to recent industry estimates, Tamil Nadu has an installed solar capacity exceeding 11 GW and wind capacity of over 11 GW, making it one of the largest renewable energy markets in the country. The State Government aims to substantially increase renewable energy capacity over the next decade through supportive policies, transmission infrastructure expansion, and promotion of distributed renewable generation. Across South India, renewable energy capacity is expected to witness sustained growth as governments and private developers continue to invest in large scale solar, wind, and hybrid projects to support India's clean energy transition and long term sustainability objectives.

The continued emphasis on decarbonization, increasing corporate adoption of renewable energy through open access mechanisms, advancements in energy storage technologies, and growing investments in transmission infrastructure are expected to create significant opportunities for the renewable energy sector. With strong policy support, improving economics of solar generation, and increasing focus on sustainable development, Tamil Nadu and the southern region are well positioned to remain key contributors to India's renewable energy growth in the coming years.

3. OPPORTUNITIES

The renewable energy sector in India continues to offer significant growth opportunities, supported by rising electricity demand, favourable government policies, and the country's commitment to achieving net zero emissions by 2070. Solar photovoltaic (PV) technology has emerged as one of the most cost effective and scalable sources of clean energy, enabling power generation for utility scale projects, commercial and industrial consumers, and residential applications. Continuous advancements in module efficiency, energy storage solutions, and digital monitoring systems are further enhancing the reliability and commercial viability of solar power projects.

Tamil Nadu remains one of the most attractive destinations for renewable energy investments owing to its high solar irradiation, established transmission infrastructure, and strong industrial base. The State receives average solar radiation ranging between 5.0 and 5.5 kWh/m² per day across many parts of the state, making it well suited for large scale solar installations as well as distributed rooftop projects. Growing electricity consumption across manufacturing, commercial, and agricultural sectors is expected to create sustained demand for clean and reliable power, providing significant opportunities for developers and investors.

The Government of India and various State Governments continue to introduce policy initiatives aimed at accelerating renewable energy deployment. These include support for utility scale solar parks, rooftop solar programmes, open access regulations, renewable purchase obligations (RPOs), green energy corridors, production linked incentives for domestic manufacturing, and the promotion of energy storage and hybrid renewable projects. Such initiatives are expected to encourage greater private sector participation while improving the economics of renewable energy investments.

Corporate demand for renewable energy is also witnessing steady growth as businesses increasingly adopt Environmental, Social and Governance (ESG) practices and seek to reduce their carbon footprint. Open access solar projects, captive power plants, group captive arrangements, and long term power purchase agreements (PPAs) are gaining wider acceptance among industrial and commercial consumers due to their ability to provide cost competitive and sustainable power over the long term.

4. OVERALL REVIEW:

The entire factory premises continue to be leased to M/s. Apollo Hospitals Enterprise Limited. for operating a world class multi speciality hospital. During the year under review, the Company earned stable rental income from its leased property, while its subsidiary, Dynavision Green Solutions Limited, continued generation of solar

power through its 6.477 MW solar power plant. The Company reported a net profit of **Rs. 858.42 lakhs** for the year ended 31st March, 2026, as against **Rs. 619.85 lakhs** in the previous year. Your Board continues to explore suitable investment and business opportunities to enhance long term shareholder value.

5. THREATS, RISK AND CONCERNS:

The renewable energy sector continues to present attractive growth opportunities, however it is also exposed to various business, operational, regulatory, and market related risks. The development of solar power projects requires significant capital investment, long project development cycles, availability of suitable land, timely statutory approvals, and access to adequate transmission infrastructure. Delays in any of these areas may impact project execution timelines and overall returns.

The sector is influenced by changes in government policies, regulatory frameworks, tariff structures, and renewable energy procurement mechanisms at both the Central and State levels. Competitive bidding has resulted in declining tariff levels, increasing pressure on project margins and requiring developers to continuously improve operational efficiency and optimize costs. Further, fluctuations in the prices of solar modules and other key equipment, changes in import duties, supply chain disruptions, and foreign exchange movements may affect project economics.

Grid availability, transmission constraints, payment delays from certain power distribution companies, and evolving regulatory requirements continue to remain industry challenges. In addition, increasing competition from established developers, technological advancements, and the emergence of alternative clean energy solutions require companies to continuously adapt their business strategies and enhance operational capabilities.

Despite these challenges, the Company remains focused on identifying prudent investment opportunities within the renewable energy sector while maintaining a disciplined approach towards risk management. The management continuously monitors regulatory developments, evaluates investment opportunities based on commercial viability, and adopts appropriate mitigation measures to safeguard stakeholder interests. The Company's experienced leadership, prudent financial management, and focus on sustainable growth are expected to strengthen its ability to navigate industry challenges and capitalize on emerging opportunities in the evolving renewable energy landscape.

6. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has adequate system of internal control to safeguard and protect from loss, unauthorized use or disposition of its assets.

All the transactions are properly authorized, recorded and reported to the Management. The Company is following all the applicable Indian Accounting Standards for properly maintaining the books of accounts and reporting financial statements.

Considering the size and nature of business the company has appointed an Internal Auditor for the company from the financial year 2016-17 to ensure proper and adequate systems and procedures commensurate with its size and nature of its business. Internal Auditors continue to monitor the operations and administration of the company.

7. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company operates under two business segments: (a) renting of investment property and (b) implementation of solar power projects. (EPC) For the year ended 31st March 2026, revenue from the implementation of solar projects is nil for the year. Meanwhile, lease rental income for the year ended 31st March 2026 amounted to Rs. 822.59 lakhs, compared to Rs. 821.73 lakhs in the previous year.

8. FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

The total income of the company for the year ended 31st March 2026 was Rs 1,135.82 Lakhs as against Rs. 1,212.59 Lakhs during the Previous year. Profit Before Tax was Rs. 784.51 Lakhs as against Rs. 800.85 Lakhs in the previous year. Profit After Tax was Rs. 858.42 Lakhs as against Rs. 619.85 Lakhs in the previous year.

9. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

During the year, the human resource relations continued to be cordial, conducive and mutually productive. Human resources are used efficiently to achieve success, stability and growth of the Company. The total employees as at the year-end were 9 (Nine only)

10. KEY RATIOS:

In accordance with the SEBI (Listing Obligations and Disclosure Requirements 2018) (Amendment)

Regulations, 2018, the Company is required to give details of significant changes (change of 25% or more as compared to the immediately previous financial year) in key sector specific financial ratios.

RATIO	FY 2025-26	FY 2024-25	% of Change	Explanation
Current Ratio	14.38	6.45	122.95%	The Current ratio indicates the Company's overall liquidity position. It measures a Company's ability to pay short-term obligations or those due within one year. It is calculated by dividing current assets by current liabilities. The increase in current ratio is contributed by decrease in the excess Tax provisions during the year.
Trade Receivables Turnover ratio	4,013.00	23.58	16918.66%	The increase is primarily attributable to a substantial reduction in average trade receivables from ₹41.48 crore to ₹0.22 crore during the year. Although revenue from operations decreased by approximately 9.74%, the sharp reduction of approximately 99.47% in average trade receivables resulted in a significant increase in the turnover ratio.
Net Capital Turnover ratio	29%	39%	-25.64%	The decrease in the Net capital turnover ratio is primarily attributable to the additional revenue generated during the previous year combined with improvement in the net working capital position during the current year.
Net Profit ratio	97%	63%	34.00%	The increase in the Net Profit Ratio is primarily due to the reversal of the prior period excess tax provisions.

11. DETAILS OF ANY CHANGE IN RETURN ON NET WORTH AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR ALONG WITH A DETAILED EXPLANATION THEREOF

RATIO	FY 2025-26	FY 2024-25	% of Change	Explanation
Return on Net worth	0.29	0.28	3.57%	The Return on Net Worth increased during the year mainly on account of higher profitability as compared to the previous financial year

ANNEXURE X

CERTIFICATE OF COMPLIANCE WITH THE CORPORATE GOVERNANCE REQUIREMENT UNDER THE LISTING REGULATIONS

To,
The Members,
Dynavision Limited

- a. The Certificate is issued in accordance with the terms of my engagement letter dated 12th August 2025.
- b. I, N. Srividhya, Practicing Company Secretary, Chennai, have examined the compliance of the conditions of Corporate Governance by Dynavision Limited ('the Company'), for the financial year ended 31st March 2026, as stipulated in Regulations 17 to 27, clauses (b) to (i) and (t) of Regulation 46(2), and para C, D and E of Schedule V of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'), as amended, from time to time, pursuant to the Listing Agreement of the Company with the Stock Exchange. I have obtained all the information and explanation which, to the best of my knowledge and belief, was necessary for the purpose of my examination and certification.

Management Responsibility

The compliance with the conditions of Corporate Governance is the responsibility of the Management of the Company. This responsibility includes designing, implementing, and maintaining the operating effectiveness of internal control procedures to ensure compliance with the conditions of Corporate Governance stipulated in the SEBI Listing Regulations.

Practising Company Secretary' Responsibility

Pursuant to the requirements of the SEBI Listing Regulations, my responsibility is to express a reasonable assurance in the form of an opinion as to whether the Company has complied with the conditions of Corporate Governance based on my examination.

My responsibility was limited to examining the procedures and implementation process adopted by the Company for ensuring compliance with the conditions of corporate governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

I have examined the books of account and other relevant records and documents maintained by the Company, and obtained all the information and explanations which, to the best of my knowledge and belief, was necessary for purpose of providing reasonable assurance regarding the Company's compliance with Corporate Governance requirements.

Material Subsidiaries

On my examination, I observed that the company had a material subsidiary during the financial year ended 31st March, 2026, and the Company has complied with the applicable corporate governance requirements as stipulated under Regulation 24 of the SEBI Listing Regulations.

Opinion

Based on my examination of the relevant records and according to the information and explanations furnished to me as well as the representations provided by the Management, in my opinion and to the best of my knowledge and belief, the Company has complied with the conditions of Corporate Governance as stipulated in Regulations 17 to 27, clauses (b) to (i) and (t) of Regulation 46(2), and para C, D and E of Schedule V of the SEBI Listing Regulations during the financial year ended March 31, 2026. I further certify that the Company has complied with all the mandatory requirements of Corporate Governance as specified in Schedule II of the said Regulations.

I state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Form No. MR-3
Secretarial Audit Report
(For the financial year ended on 31st March 2026)

[Pursuant to Section 204 (1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

DYNAVISION GREEN SOLUTIONS LIMITED

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Dynavision Green Solutions Limited** having its registered office at Apex Plaza 5th Floor, No.3, Nungambakkam High Road Nungambakkam, Chennai, Tamil Nadu – 600034, India, CIN: U40100TN2022PLC155268 (hereinafter called “the Company”) during the financial year from 01st April, 2025 to 31st March, 2026 (the year/audit period/period under review).

I have conducted the Secretarial Audit in a manner that provided me a reasonable basis for evaluating the Company’s corporate conducts/statutory compliances and expressing my opinion thereon.

I am issuing this report based on my verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, the explanations and clarification given to me and the representations made by the Management.

I hereby report that in my opinion, the Company has during the audit period covering the financial year ended on 31st March 2026, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

The members are requested to read this report along with my letter of even date which is annexed to this report as **Annexure – I** and forms an integral part of this report.

1. Compliance with specific statutory provisions:

I have examined the books, papers, minute books, forms and returns filed and other records made available to me and maintained by the Company for the financial year ended on 31st March 2026 according to the applicable provisions of:

- The Companies Act, 2013 (‘the Act’) and the Rules made thereunder;
- The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder.
- The SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by the Institute of Company Secretaries of India (ICSI).

I am informed that, during/in respect of the year no events have occurred which required the Company to comply with and consequently was not required to maintain any books, papers, minutes books, or other records or file any forms/ returns under the Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’)

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc mentioned above .

During the period under review, in my opinion and as identified and informed by the Management, the following laws are specifically applicable to the Company as the Company is into Power Generation:

INDEPENDENT AUDITOR'S REPORT

To

The Members of DYNAVISON LIMITED,
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **DYNAVISON LIMITED** (the "Company"), which comprise the Standalone Balance Sheet as at March 31, 2026, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and Standalone Statement of Cash flows for the year then ended and notes to the Standalone Financial Statements, including material accounting policies and other explanatory information (hereinafter referred to as the "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2026, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual report but does not include the financial statements and our auditor's reports thereon.

Our Opinion on the Standalone Financial Statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and we shall:

- (i) If the material misstatement is corrected, perform necessary procedure to ensure the correction; or
- (ii) If the material misstatement is not corrected after communicating the matter to those charged with governance, take appropriate action considering our legal rights and obligations, to seek to have the uncorrected material misstatement appropriately brought to the attention of users for whom this Auditor's Report is prepared.

Management's and Board of Director's Responsibility for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls with reference to the Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and the Board of Directors.
- Conclude on the appropriateness of the Management's and Board of Directors' use of the going concern basis of accounting in preparation of Standalone Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast a significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid Standalone Financial Statements have been kept by the Company so far as it appears from our examination of those books
- c. The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including other comprehensive income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
- e. On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls with reference to the Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - A) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - B) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - C) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the

representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The Company has not declared any dividend during the year. Accordingly, reporting on compliance with Section 123 of the Act is not applicable.
 - vi. Based on our examination which included test checks, the Company has used such accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of the audit, we did not come across any instance of audit trail feature being tampered with in respect of the accounting software and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended;

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its Directors during the year was in compliance with provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED MARCH 31, 2026

(Referred to in paragraph 2(f) under "Report on Other Legal and Regulatory Requirements" section of our report to the Members of Dynavision Limited of even date)

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Section 143(3)(i) of the Companies Act, 2013 (the "Act")**Opinion**

We have audited the internal financial controls with reference to Standalone Financial Statements of Dynavision Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to Standalone Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at March 31, 2026, based on the internal financial control with reference to Standalone Financial Statements criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI").

Management's and Board of Directors' Responsibility for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls with reference to Standalone Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Standalone Financial Statements and their operating effectiveness. Our audit of Internal Financial Controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls with reference to Standalone Financial Statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control with reference to standalone financial statements includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026**1 Corporate Information**

Dynavision Ltd. was established in 1973 as a Joint Sector Public Limited Company with participation of M/s. Tamilnadu Industrial Development Corporation Ltd. (TIDCO) and the Private Promoter, Mr.P. Obul Reddy. It started commercial production of Black & White TVs in 1975 and Colour televisions in 1982 under the Brand Name "DYANORA". Since 1994, the Company was assembling Colour Television Sets (CTVs), Audio and Video cassette recorders for M/s. Thomson Consumer Electronics India Limited on contract manufacturing basis.

M/s.Thomson Consumer Electronics India Limited also wound up their activities in India during 2004. Since then the entire manufacturing capacity of the Company was lying idle except some petty job-work.

Now the entire factory premises has been leased out to M/s. Apollo Hospitals Enterprise Limited, for establishing world class multi speciality Hospital.

General Information and statement of compliance with IND AS

The Standalone Financial Statements of the Company have been prepared in accordance with the Indian Accounting Standards (IND AS) notified under Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

The Standalone Financial Statements for the year ended March 31, 2026 were authorized and approved for issue by the Board of Directors on May 14, 2026 and is subject to adoption by shareholders in the ensuing Annual General Meeting.

2 Application of new and revised Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21- The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

Ind AS 1, Presentation of Financial Statements, applicable w.e.f April 1, 2025 - The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date, and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact on account of these amendments in its classification criteria of current and non-current liabilities.

Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments- Disclosures, applicable w.e.f April 1, 2025. The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has no impact on account of these amendments

“Ind AS 12, International Tax Reform- Pillar Two Model Rules - The amendments made in response to the OECD’s BEPS Pillar Two rules includes (i) A mandatory temporary exception to the recognition and disclosure of deferred taxes arising from the jurisdictional implementation of the Pillar Two model rules; and (ii) Disclosure requirements for affected entities to help users of the financial statements better understand an entity’s exposure to Pillar Two income taxes arising from that legislation, particularly before its effective date. The mandatory temporary exception – the use of which is required to be disclosed – applies immediately. The remaining disclosure requirements apply for annual reporting periods beginning on or after April 01, 2025, but not for any interim periods ending on or before March 31, 2026. The amendments had no impact on the Company’s financial statements as the Company is not in scope of the Pillar Two model rules.”

3 Summary of Material Accounting Policies, Key Accounting Estimates and Judgement

a) Overall Consideration

The Standalone Financial Statements have been prepared using the significant accounting policies and measurement bases summarized below. These were used throughout all periods presented in the Standalone Financial Statements, except where a new accounting standard is initially adopted or revision to an existing accounting standard, requires a change in the accounting policy hitherto in use.

Basis of preparation

The Standalone Financial Statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015, as amended] and other relevant provisions of the Act. The financial statements have been prepared on the historical cost convention under accrual basis of accounting except for certain financial assets and liabilities (as per the accounting policy below), which have been measured at fair value.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

b) Current and Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is classified as current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle
- Held primarily for the purpose of trading

- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent is treated as current, unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when:

- It is expected to be settled in the normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

c) Revenue

Lease income from Investment property is recognized in the Statement of Profit and Loss in accordance with Payment terms of lease agreement.

Revenue from EPC contracts for Implementation of solar power projects is recognised when the project is completed.

Dividend income from investments is recognised when the Company's right to receive payment has been established.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

d) Property, Plant and Equipment

Recognition and Initial Measurement

Freehold land is carried at historical cost and all other items of Property, Plant and Equipment are stated at cost of acquisition less accumulated depreciation and impairment, if any. The cost comprises purchase price, borrowing cost (if capitalization criteria are met) and directly attributable cost of bringing the asset to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate

asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation

Depreciation on Property, Plant and Equipment is provided on Straight Line basis computed on the basis of useful lives (as set out below) which is generally as per the useful life prescribed in Schedule II of the Act:

Factory Building	30
Building (Other than factory buildings)	60
Computers	3
Furniture and Fittings	6 - 10
Other Equipment	6 - 15
Vehicles	8

De-recognition

An item of Property, Plant and Equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gains and losses on disposals are determined by comparing proceeds with carrying amount and recognized in the Statement of Profit and Loss.

e) Investment Property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost including transactions costs. Subsequent to initial recognition, investment properties are measured at cost less accumulated depreciation over useful life of the asset and impairment losses, if any. Though, the Company measures investment property using cost-based measurement, the fair value of investment property as at the end of the year is disclosed in Notes.

f) Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life is reviewed annually with the effect of any changes in estimate being accounted for on a prospective basis.

Useful lives of Intangible assets

Intangible assets are amortized equally over the estimated useful life not exceeding five years.

De-recognition

An item of intangible asset is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of intangible assets is determined as the difference between the sales proceeds, if any, and the carrying amount of the asset and is recognised in the statement of profit and loss.

g) Impairment of Property, Plant and Equipment, Investment Property and Intangible Assets

The Company annually reviews the carrying amounts of its Property, Plant and Equipment, Investment Property and Intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in Statement of Profit and Loss.

h) Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

In the case of operating leases, Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. Lease term exceeding 12 months are considered under Ind AS 116. Lease rentals having lease term within 12 months are charged or recognized in the Statement of Profit and Loss on a straight-line basis over the lease term, except where the payments are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increase.

Company as a lessor

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease. The Company recognises lease payments received under operating leases as income on a straight-line basis over the lease term or another systematic basis if such basis is more representative of the pattern in which the benefit from the use of the underlying asset is diminished. In case of finance lease, finance income is recognised over the lease term based on pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease.

i) Impairment of Non-financial assets

At each reporting date, the Company assesses whether there is any indication based on any internal or external factors that an asset may be impaired. If any such indications exist, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as impairment loss and is recognized in the Statement of Profit and Loss. All assets are subsequently reassessed for indications that an impairment loss previously recognized may no longer exist. An impairment loss is reversed if the assets' or cash generating unit's recoverable amount exceeds its carrying amount.

j) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognized in the Statement of Profit and Loss in the period in which they are incurred.

k) Financial Instruments**(i) Initial recognition and measurement**

Trade receivables and unbilled revenue are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

(ii) Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- amortised cost;
- Fair value through OCI (FVOCI) – debt investment;
- FVOCI – equity investment; or
- FVTPL

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investments fair value in OCI (designated as FVOCI - equity investment). This election is made on an investment by investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in the statement of profit and loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in statement of profit and loss. Any gain or loss on derecognition is recognised in the statement of profit and loss.
Debt investments at FVOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to statement of profit and loss.
Equity investments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to statement of profit and loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in statement of profit and loss.

(iii) Derecognition**Financial assets**

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in Statement of Profit and Loss.

(iv) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

l) Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive. When estimating the cash flows, the Company is required to consider-

- All contractual terms of the financial assets (Including prepayment and extension) over the expected life of the assets
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Other Financial Assets

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since the initial recognition and if credit risk has increased significantly, impairment loss is provided.

m) Taxes on Income

Tax expense recognized in Statement of Profit and Loss comprises of current and deferred tax not recognized in Other Comprehensive Income (OCI) or directly in equity.

Current Income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Current Income tax relating to items recognized outside the Statement of Profit and Loss is recognized outside the Statement of Profit and Loss (either in OCI or in equity).

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Standalone Financial Statements. Deferred tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity, in which case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

n) Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash and Cash Equivalents

Cash and Cash equivalents comprise cash in hand, demand deposits with banks or corporations and short-term highly liquid investments (original maturity less than 3 months) that are readily convertible into known amounts of cash and are subject to an insignificant risk of change in value.

o) Events after reporting period

Where events occurring after the Balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the Standalone Financial Statements. Otherwise, events after the Balance Sheet date of material size of nature are only disclosed.

p) Post-Employment, long-term and short-term employee benefits

Defined Contribution Plans

Provident Fund benefits is a defined contribution plan under which the Company pays fixed contribution into funds established under the Employees' Provident Fund and Miscellaneous Provisions Act, 1952. The Company has no legal or constructive obligations to pay further contributions after the payment of the fixed contribution.

Defined benefit plans

Gratuity is a post-employment benefit defined under the Payment of Gratuity Act, 1972 and is in the nature of a defined plan. The liability recognized in the Standalone Financial Statements in respect of gratuity is in accordance with the required provisions of the said act.

Compensated absences

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability. The cost of providing benefits is actuarially determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date. Long Service Awards are recognised as a liability at the present value of the obligation at the balance sheet date. All gains/losses due to actuarial valuations are immediately recognised in the Standalone Statement of Profit and Loss.

Other Short-term employee benefits

Expense in respect of other short-term benefits is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

q) Provisions, Contingent Liabilities and Contingent Assets**Provision**

A provision is recorded when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expenses.

Contingent Liabilities

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because:

- (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- (b) the amount of the obligation cannot be measured with sufficient reliability.

Contingent assets are neither recognized nor disclosed.

r) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to the equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

s) Functional and presentation currency and Foreign Currency Transactions

Items included in the Standalone Financial Statements of the Company are measured using the currency of the primary economic environment in which these entities operate (i.e. the "functional currency"). The Standalone

Financial Statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Company.

In preparing the Standalone financial statements of the Company, transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognized in profit or loss in the period in which they arise.

t) Use of Estimates

The preparation of Standalone Financial Statements requires management to make certain estimates and assumptions that affect the amounts reported in the Standalone Financial Statements and Notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates.

u) Significant Estimations and Judgments

The areas involving critical estimates or judgments are:

- Estimation of fair value of financial assets and liabilities- Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instruments. The management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.
- Estimation of useful lives of depreciable/ amortisable assets- Management reviews its estimate of the useful life of the depreciable/ amortisable asset at the end of each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence.
- Recoverability of advances and receivables- At each balance sheet, based on historical default rates observed over expected life, the management assess the expected credit loss on outstanding advances and trade receivables.
- Recognition of deferred tax assets- The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilised.
- Evaluation of indicators for impairment of assets- The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

36 Post-employment benefits

Defined contribution plan

The Company makes Provident Fund contributions, which is a defined contribution plan, for all employees. Under the Scheme, the Company contributes 12% of the qualifying salary to fund the benefit. The expense recognised by the Company towards the contribution plan in the Statement of Profit and Loss during the year is ₹ 3.43 lakhs (March 31, 2025: ₹ 3.08 lakhs).

Defined benefit plan

The Company has a defined benefit gratuity plan, governed by the Payment of Gratuity Act, 1972. It entitles an employee, who has rendered at least five years of continuous service, to gratuity at the rate of fifteen days wages for every completed year of service or part thereof, based on the rate of wages last drawn by the employee concerned. The gratuity plan is an unfunded plan. The Company monitors the expected cash flow requirements of the gratuity plan and manages the same through its overall treasury function. No specific asset-liability matching arrangements exist. The present value of the defined benefit obligation and the related current service cost are measured using the projected unit credit method with actuarial valuation being carried out at the balance sheet date.

The defined benefit plan exposes the Company to Actuarial risks such as asset-liability mismatch risk, Discount rate risk, Future salary escalation and inflation risk and Unfunded plan risk.

During the current year, the definition of wages has been amended due to the enactment of the Code on Wages, 2019. As a result of the same, the Company has recognised a past service cost during the year. Upto March 31, 2024, the Company had determined the gratuity liability for employees who had completed atleast 5 years of service based on the actual completed period of service by the respective employees and their last drawn salary. From 2026, the Company has started obtaining an actuarial report, thereby resulting in a significant past service cost in the previous year.

B. Financial Risk Management

The Company's activities expose it to credit risk and liquidity risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

a) Credit risk: The credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, bank balances and security deposits.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether

there is a significant increase in the credit risk the Company compares the risk of default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. Surplus cash is deposited only with banks/financial institutions/ invested in mutual funds with a high external credit rating. The credit risk on security deposits has been assessed as insignificant.

Receivables from one customers of Trade receivables amounting to Rs. 0.43 lakhs (March 31, 2025 : Nil customer) which is more than 10 percent of the Company's total Trade receivables.

b) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly to meet obligations when due. The Company's exposure to liquidity risk arises primarily from mismatches of maturities of financial assets and liabilities.

The Company manages the liquidity risk by (i) maintaining adequate and sufficient cash and cash equivalents (ii) making available the funds from realizing timely maturities of financial assets to meet the obligations when due. The Management monitors rolling forecast of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. Also, the Company manages the liquidity risk by projecting cash flows considering the level of liquid assets necessary to meet the obligations by matching the maturity profiles of financial assets and financial liabilities and monitoring Balance Sheet liquidity ratios. Further, the liquidity risk management involves matching the maturity profiles of financial assets and financial liabilities.

c) Maturity profile

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, including contractual interest but excluding impact of netting agreements.

As at March 31, 2026

57 Segment reporting**Identification of segments:**

The chief operational decision maker monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss of the segment and is measured consistently with profit or loss in these financial statements.

Operating segments have been identified on the basis of the nature of services.

Operating segments:

- (a) Renting of investment property
- (b) Implementation of solar power projects

Geographical segments

The Company's operations and customers are only in India. Accordingly, there are no reportable geographical segments.

Segment revenue and results

The expenses and income which are not directly attributable to any business segment are shown as unallocable expenditure (net of unallocable income).

Segment assets and liabilities:

Assets used by the operating segments mainly consist of property, plant and equipment and trade receivables. Segment liabilities include trade payables and other liabilities. Common assets and liabilities which cannot be allocated to any of the segments are shown as a part of unallocable assets/liabilities. Liabilities which cannot be allocated to any of the segments are shown as a part of unallocable assets/liabilities. The measurement principles of segments are consistent with those used in preparation of these standalone financial statements. There are no inter-segment transfers.

Remarks

- (i) The increase in the current ratio is attributable primarily to the increase in the market value of investments (funded by the cashflow from operations) combined with decrease in current liabilities primarily on account of reversal of tax provisions.
- (ii) The increase is primarily attributable to a substantial reduction in average trade receivables from ₹41.48 crore to ₹0.22 crore during the year. Although revenue from operations decreased by approximately 9.74%, the sharp reduction of approximately 99.47% in average trade receivables resulted in a significant increase in the turnover ratio.
- (iii) The decrease in the Net capital turnover ratio is primarily attributable to the additional revenue generated during the previous year combined with improvement in the net working capital position during the current year.
- (iv) The increase in the Net Profit Ratio is primarily due to the reversal of the prior period excess tax provisions.

INDEPENDENT AUDITOR'S REPORT**To The Members of Dynavision Limited,****Report on the Audit of the Consolidated Financial Statements****Opinion**

We have audited the accompanying Consolidated Financial Statements of Dynavision Limited (hereinafter referred to as the "Holding Company") and its subsidiary (Holding Company and its Subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2026, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and Consolidated Statement of Cash flows for the year then ended, and notes to the Consolidated Financial Statements, including material accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the report of the other auditor on separate financial statements of the subsidiary as was audited by the other auditor referred to in the "Other Matters" section below, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India of the consolidated state of affairs of the Group, as at March 31, 2026, of its consolidated profit (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group, in accordance with the *Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI)* together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained along with the consideration of the report of the other auditor referred to in the "Other Matters" section below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report but does not include the financial statements and our auditor's reports thereon.

Our Opinion on the Consolidated Financial Statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and we shall:

- (i) If the material misstatement is corrected, perform necessary procedure to ensure the correction; or
- (ii) If the material misstatement is not corrected after communicating the matter to those charged with governance, take appropriate action considering our legal rights and obligations, to seek to have the uncorrected material misstatement appropriately brought to the attention of users for whom this Auditor's Report is prepared.

Management's and Board of Directors' Responsibilities for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these Consolidated Financial Statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

The respective Management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of their respective companies to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Management or Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of their respective companies.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit

conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its subsidiary company which is incorporated in India has adequate Internal Financial Controls with reference to the Consolidated Financial Statements and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management's and Board of Directors' use of the going concern basis of accounting in preparation of the Consolidated Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast a significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entity or business activities within the Group of which we are the independent auditor and whose financial information we have audited, to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entity included in the Consolidated Financial Statements of which we are the independent auditor. For the other entity included in the Consolidated Financial Statements, which have been audited by other auditor, such other auditor remains responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in paragraph (a) of the section titled "Other Matters" in this audit report.

We communicate with those charged with governance of the Holding Company of which we are the independent auditor regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

(a) We did not audit the financial statements of one subsidiary, whose financial statements (before consolidation adjustments) reflect total assets of ₹ 3,497.92 lakhs as at March 31, 2026, total revenues of ₹ 471.19 lakhs, total net loss after tax of ₹ 34.14 lakhs and net cash inflows amounting to Rs. 0.25 lakhs for the year then ended, as considered in the Consolidated Financial Statements. These financial statements have been audited by other auditor whose report has been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the report of the other auditor.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditor .

Report on Other Legal and Regulatory Requirements

1. As required by clause (xxi) of paragraph 3 of Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, according to the information and explanations given to us and based on the consideration of the CARO Reports issued by us and by the other auditor as mentioned in Other Matters paragraph above of companies included in the Consolidated Financial Statements, covered under the Act, we report that there are no qualifications or adverse remarks reported in the respective CARO Reports of such companies.

2. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditor on separate financial statements of the subsidiary, as was audited by the other auditor, as noted in the "Other Matters" paragraph, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept by the Group so far as it appears from our examination of those books and the reports of the other auditor.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.

- (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Indian Accounting Standards ("Ind AS") specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2026 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditor of its Subsidiary Company, incorporated in India, none of the directors of the Group companies, is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of Internal Financial Controls with reference to the Consolidated Financial Statements of the Group and the operating effectiveness of such controls, refer to our separate Report in **"Annexure A"**.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor on separate financial statements of the subsidiary, as noted in the "Other Matters" paragraph:
- i. There were no pending litigations which would impact the Consolidated Financial Statements of the Group.
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its Subsidiary Company incorporated in India.
 - iv. A) The respective management of the Holding Company and its subsidiary incorporated in India have represented to us and the other auditor that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or such Subsidiary Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or such subsidiary company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - B) The respective management of the Holding Company and its Subsidiary Company incorporated in India have represented to us and the other auditor that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Holding Company or such Subsidiary Companies from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or such Subsidiary Company shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - C) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances and based on the consideration of the report of the other auditor, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The Holding Company or its Subsidiary Company incorporated in India has not declared any dividend during the year. Accordingly, reporting on compliance with Section 123 of the Act is not applicable.
- vi. Based on our examination which included test checks and that performed by the other auditor of the subsidiary company which is a company incorporated in India whose financial statement has been audited under the Act, the Group has used such accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all transactions recorded in the respective software.

Further, during the course of the audit, we and the other auditor of the subsidiary company did not come across any instance of audit trail feature being tampered with in respect of the accounting software and the audit trail has been preserved by the Company since the date of enabling the feature as per the statutory requirements for record retention.

3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us and based on the report of the statutory auditor of the Subsidiary Company, incorporated in India which is not audited by us, the remuneration paid during the current year by the Holding Company and its Subsidiary Company, to its directors is in accordance with the provisions of Section 197 of the Act, where applicable. The remuneration paid to any director by the Holding Company and its Subsidiary Company, is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED MARCH 31, 2026

(Referred to in paragraph 2(f) under “Report on Other Legal and Regulatory Requirements” section of our report to the Members of Dynavision limited of even date)

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Section 143(3)(i) of the Companies Act, 2013 (the “Act”)

Opinion

We have audited the internal financial controls with reference to Consolidated Financial Statements of Dynavision Limited (“the Holding Company”) and its subsidiary, which are Companies incorporated in India, as of March 31, 2026 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

In our opinion and based on the consideration of the report of the other auditor on Internal Financial Controls with reference to Financial Statements of Subsidiary Company, the Holding Company and its Subsidiary Company have, in all material respects, adequate Internal Financial Controls with reference to Consolidated Financial Statements and such Internal Financial Controls were operating effectively as at March 31, 2026, based on the internal financial controls with reference to financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”).

Management’s and Board of Directors’ Responsibility for Internal Financial Controls

The respective company’s Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the respective company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Internal Financial Controls with reference to Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls with reference to Consolidated Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of Internal Financial Controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal

control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Internal Financial Controls with reference to Consolidated Financial Statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control with reference to financial statements includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the Internal Financial Controls with reference to Consolidated Financial Statements insofar as it relates to the Subsidiary Company, which is a company incorporated in India, is based on the corresponding report of the auditor of such company.

Our opinion is not modified in respect of this matter.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026**1 Corporate Information**

The Consolidated Financial Statements comprise financial statements of Dynavision Limited (the "Holding Company") and its subsidiary, collectively referred to as the "Group".

Dynavision Ltd. was established in 1973 as a Joint Sector Public Limited Company with participation of M/s. Tamilnadu Industrial Development Corporation Ltd. (TIDCO) and the Private Promoter, Mr. P.Obul Reddy. It started commercial production of Black & White TVs in 1975 and Colour televisions in 1982 under the Brand Name "DYANORA". Since 1994, the Company was assembling Colour Television Sets (CTVs), Audio and Video cassette recorders for M/s. Thomson Consumer Electronics India Limited on contract manufacturing basis.

M/s.Thomson Consumer Electronics India Limited also wound up their activities in India during 2004. Since then the entire manufacturing capacity of the Holding Company was lying idle except some petty job-work.

Now the entire factory premises has been leased out to M/s. Apollo Hospitals Enterprise Limited, for establishing world class multi speciality Hospital.

The principal activity of the subsidiary is supplying, generating, distributing, trading and dealing in electricity in all forms of energy and power generated by any source including steam, hydro, tidal, water, wind, solar, coal, hydrocarbon fuel or any other form or kind or description.

Basis of Consolidation

The financial statements of the subsidiary company used in the consolidation are drawn up to the same reporting date of the Company i.e. year ended March 31, 2026. The Consolidated Financial Statements have been prepared on the following basis:

(a) The financial statements of the Holding Company and its subsidiary have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. Inter-company balances and transactions and unrealized profits or losses have been fully eliminated.

(b) Changes in the Holding Company's interests in subsidiary that do not result in a loss of control are accounted for as equity transactions. The carrying amount of the Company's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiary. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Group.

(c) The Consolidated Financial Statements have been prepared using uniform accounting policies for similar transactions and are presented to the extent possible, in the same manner as the Holding Company's Standalone Financial Statements.

Name of the Subsidiary	Country of incorporation	% holding as at 31-Mar-2026	% holding as at 31-Mar-2025
Dynavision Green Solutions Limited (DGSL)	India	73.75%	73.75%

General Information and statement of compliance with IND AS

The Consolidated Financial Statements of the Group have been prepared in accordance with the Indian Accounting Standards (IND AS) notified under section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015, relevant amendment rules issued thereafter and other relevant provisions of the Act.

The Consolidated Financial Statements for the year ended March 31, 2026 were authorized and approved for issue by the Board of Directors on May 14, 2026 and is subject to adoption by shareholders in the ensuing Annual General Meeting.

2 Application of new and revised Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21- The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

Ind AS 1, Presentation of Financial Statements, applicable w.e.f April 1, 2025 - The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date, and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact on account of these amendments in its classification criteria of current and non-current liabilities.

Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments- Disclosures, applicable w.e.f April 1, 2025. The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has no impact on account of these amendments

"Ind AS 12, International Tax Reform- Pillar Two Model Rules - The amendments made in response to the OECD's BEPS Pillar Two rules includes (i) A mandatory temporary exception to the recognition and disclosure of deferred taxes arising from the jurisdictional implementation of the Pillar Two model rules; and (ii) Disclosure requirements for affected entities to help users of the financial statements better understand an entity's exposure to Pillar Two income taxes arising from that legislation, particularly before its effective date. The mandatory temporary exception – the use of which is required to be disclosed – applies immediately. The remaining disclosure requirements apply for annual reporting periods beginning on or after April 01, 2025, but not for any interim periods ending on or before March 31, 2026. The amendments had no impact on the Company's financial statements as the Company is not in scope of the Pillar Two model rules."

3 Summary of Material Accounting Policies, Key Accounting Estimates and Judgement

a) Overall Consideration

The Consolidated Financial Statements have been prepared using the significant accounting policies and measurement bases summarized below. These were used throughout all periods presented in the Consolidated Financial Statements, except where a new accounting standard is initially adopted or revision to an existing accounting standard, requires a change in the accounting policy hitherto in use.

Basis of preparation

The Consolidated Financial Statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015, as amended] and other relevant provisions of the Act. The financial statements have been prepared on the historical cost convention under accrual basis of accounting except for certain financial assets and liabilities (as per the accounting policy below), which have been measured at fair value.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

b) Current and Non-Current Classification

The Group presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is classified as current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent is treated as current, unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when:

- It is expected to be settled in the normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Group has identified twelve months as its operating cycle. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

c) Revenue

Lease income from Investment property is recognized in the Statement of Profit and Loss in accordance with Payment terms of lease agreement.

Revenue from generation and distribution of electricity from solar power projects is recognised at an amount that reflects the consideration to which the Group expects to be entitled in exchange for transferring the goods or services to a customer.

Dividend income from investments is recognised when the Company's right to receive payment has been established.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Holding Company and the amount of income can be measured reliably. Interest income is accrued on a timely basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

d) Property, Plant and Equipment

Recognition and Initial Measurement

Freehold land is carried at historical cost and all other items of Property, Plant and Equipment are stated at cost of acquisition less accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation

Depreciation on Property, Plant and Equipment is provided on Straight Line basis computed on the basis of useful lives (as set out below) which is generally as per the useful life prescribed in Schedule II of the Act:

Asset Category	Estimated Useful life (Years)
Building (Other than factory buildings)	60
Plant and Machinery	15
Computers	3
Furniture and Fittings	10
Other Equipment	6 - 15
Vehicles	8 - 10

De-recognition

An item of Property, Plant and Equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gains and losses on disposals are determined by comparing proceeds with carrying amount and recognized in the Statement of the Profit and Loss.

e) Investment Property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost including transaction costs. Subsequent to initial recognition, investment properties are measured at cost less accumulated depreciation over useful life of the asset and accumulated impairment losses, if any. Though, the Group measures investment property using cost-based measurement, the fair value of investment property as at the end of the year is disclosed in Notes.

f) Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses, if any. Amortisation is recognized on a straight-line basis

over their estimated useful lives. The estimated useful life is reviewed annually with the effect of any changes in estimate being accounted for on a prospective basis.

Useful lives of intangible assets

Intangible assets are amortised equally over the estimated useful life not exceeding five years.

De-recognition

An item of intangible asset is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of intangible assets is determined as the difference between the sales proceeds, if any, and the carrying amount of the asset and is recognised in the statement of profit and loss.

g) Impairment of Property, Plant and Equipment, Investment Property and Intangible Assets

The Group annually reviews the carrying amounts of its property, plant and equipment, investment property and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in Statement of Profit and Loss.

h) Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

In the case of operating leases, Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Group makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. Lease term exceeding 12 months are considered under Ind AS 116. Lease rentals having lease term within 12 months are charged or recognized in the Statement of Profit and Loss on a straight-line basis over the lease term, except where the payments are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increase.

Group as a lessor

At the inception of the lease the Group classifies each of its leases as either an operating lease or a finance lease. The Group recognises lease payments received under operating leases as income on a straight-line basis over the lease term or another systematic basis if such basis is more representative of the pattern in which the benefit from the use of the underlying asset is diminished. In case of finance lease, finance income is recognised over the lease term based on pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease.

i) Impairment of Non-financial assets

At each reporting date, the Group assesses whether there is any indication based on any internal or external factors that an asset may be impaired. If any such indications exists, the Group estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as impairment loss and is recognized in the Statement of Profit and Loss. All assets are subsequently reassessed for indications that an impairment loss previously recognized may no longer exist. An impairment loss is reversed if the assets' or cash generating unit's recoverable amount exceeds its carrying amount.

j) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognized in the Statement of Profit and Loss in the period in which they are incurred.

k) Financial Instruments**(i) Initial recognition and measurement**

Trade receivables and unbilled revenue are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

(ii) Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- amortised cost;
- Fair value through OCI (FVOCI) – debt investment;
- FVOCI – equity investment; or
- FVTPL

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Group may irrevocably elect to present subsequent changes in the investments fair value in OCI (designated as FVOCI - equity investment). This election is made on an investment by investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in the statement of profit and loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in statement of profit and loss. Any gain or loss on derecognition is recognised in the statement of profit and loss.
Debt investments at FVOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in statement of profit or loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to statement of profit and loss.
Equity investments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in statement of profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to statement of profit and loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in statement of profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses

are recognised in statement of profit or loss. Any gain or loss on derecognition is also recognised in statement of profit and loss.

(iii) Derecognition

Financial assets

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred, or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Group enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

The Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in statement of profit and loss.

(iv) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

l) Impairment of Financial Assets

In accordance with Ind AS 109, the Group applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive. When estimating the cash flows, the Group is required to consider-

- All contractual terms of the financial assets (Including prepayment and extension) over the expected life of the assets
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Other Financial Assets

For recognition of impairment loss on other financial assets and risk exposure, the Group determines whether there has been a significant increase in the credit risk since the initial recognition and if credit risk has increased significantly, impairment loss is provided.

m) Taxes on Income

Tax expense recognized in Statement of Profit and Loss comprises of current and deferred tax not recognized in Other Comprehensive Income (OCI) or directly in equity.

Current Income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Current income tax relating to items recognized outside the Statement of Profit and Loss is recognized outside Statement of Profit and Loss (either in OCI or in equity).

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Consolidated Financial Statements. Deferred tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. Current and deferred tax is recognized in statement of profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity, in which case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

n) Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.

Cash and Cash Equivalents

Cash and Cash equivalents comprise cash in hand, demand deposits with banks or corporations and short term highly liquid investments (original maturity less than 3 months) that are readily convertible into known amounts of cash and are subject to an insignificant risk of change in value.

o) Events after reporting period

Where events occurring after the Balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the Consolidated Financial Statements. Otherwise, events after the Balance Sheet date of material size of nature are only disclosed.

p) Post-Employment, long-term and short-term employee benefits

Defined Contribution Plans

Provident Fund benefits is a defined contribution plan under which the Group pays fixed contribution into funds established under the Employees' Provident Fund and Miscellaneous Provisions Act, 1952. The Group has no legal or constructive obligations to pay further contributions after the payment of the fixed contribution.

Defined benefit plans

Gratuity is a post-employment benefit defined under the Payment of Gratuity Act, 1972 and is in the nature of a defined plan. The liability recognized in the Consolidated Financial Statements in respect of gratuity is in accordance with the required provisions of the said act.

Compensated absences

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability. The cost of providing benefits

is actuarially determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date. Long Service Awards are recognised as a liability at the present value of the obligation at the balance sheet date. All gains/losses due to actuarial valuations are immediately recognised in the Standalone Statement of Profit and Loss.

Other Short-term employee benefits

Expense in respect of other short-term benefits is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

q) Provisions, Contingent Liabilities and Contingent Assets

Provision

A provision is recorded when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expenses.

Contingent Liabilities

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because:

(a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or

(b) the amount of the obligation cannot be measured with sufficient reliability.

Contingent assets are neither recognized nor disclosed.

r) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to the equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

s) Functional and presentation currency and Foreign Currency Transactions

Items included in the Consolidated Financial Statements of the Group are measured using the currency of the primary economic environment in which these entities operate (i.e. the "functional currency"). The Consolidated Financial Statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Group.

In preparing the Consolidated financial statements of the Group, transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are

retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognized in profit or loss in the period in which they arise.

t) Use of Estimates

The preparation of Consolidated Financial Statements requires management to make certain estimates and assumptions that affect the amounts reported in the Consolidated Financial Statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates.

u) Significant Estimations and Judgments

The areas involving critical estimates or judgments are:

- **Estimation of fair value of financial assets and liabilities-** Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instruments. The management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

- **Estimation of useful lives of depreciable/amortisable assets-** Management reviews its estimate of the useful life of the depreciable/ amortisable asset at the end of each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence.

- **Recoverability of advances and receivables-** At each balance sheet, based on historical default rates observed over expected life, the management assess the expected credit loss on outstanding advances and trade receivables.

- **Recognition of deferred tax assets-** The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilised.

- **Evaluation of indicators for impairment of assets-** The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Defined contribution plan

The Group makes Provident Fund contributions, which is a defined contribution plan, for all employees. Under the Scheme, the Group contributes 12% of the qualifying salary to fund the benefit. The expense recognised by the Group towards the contribution plan in the Statement of Profit and Loss during the year is Rs. 3.43 lakhs (March 31, 2025: Rs. 3.08 lakhs).

Defined benefit plan

The Holding Company has a defined benefit gratuity plan, governed by the Payment of Gratuity Act, 1972. It entitles an employee, who has rendered at least five years of continuous service, to gratuity at the rate of fifteen days wages for every completed year of service or part thereof, based on the rate of wages last drawn by the employee concerned. The gratuity plan is an unfunded plan. The Holding Company monitors the expected cash flow requirements of the gratuity plan and manages the same through its overall treasury function. No specific asset-liability matching arrangements exist. The present value of the defined benefit obligation and the related current service cost are measured using the projected unit credit method with actuarial valuation being carried out at the balance sheet date.

The defined benefit plan exposes the Company to Actuarial risks such as asset-liability mismatch risk, Discount rate risk, Future salary escalation and inflation risk and Unfunded plan risk.

During the current year, the definition of wages has been amended due to the enactment of the Code on Wages, 2019. As a result of the same, the Holding Company has recognised a past service cost during the year. Upto March 31, 2024, the Holding Company had determined the gratuity liability for employees who had completed atleast 5 years of service based on the actual completed period of service by the respective employees and their last drawn salary. From FY 2024-25, the Holding

Company has started obtaining an actuarial report, thereby resulting in a significant past service cost in the previous year.

The Group does not have any contingent liability as at March 31, 2026 and March 31, 2025.

40 Capital management

The Group's capital management objectives is to ensure adequate return to the shareholder by maintaining the optimal capital structure. The Group's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. It sets the amount of capital required on the basis of annual business and long-term operating plans which include capital and other strategic investments.

For the purpose of the Group's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Group's capital management is to maximise the shareholder value.

Management assesses the Group's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. The Group manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. The Company has been funding its growth and working capital requirements completely through internal accruals and does not have any debt.

Such items have been classified under amortised costs in the above table.

B. Financial Risk Management

The Group's activities expose it to credit risk and liquidity risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

a) Credit risk: The credit risk refers to risk that a counter party will default on its contractual obligations resulting in financial loss to the Group. Credit risk arises primarily from financial assets such as trade receivables, bank balances and security deposits.

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in the credit risk the Group compares the risk of default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. Surplus cash is deposited only with banks/financial institutions/ invested in mutual funds with a high external credit rating. The credit risk on security deposits has been assessed as insignificant.

Receivables from one customers of Trade receivables amounting to Rs. 0.43 lakhs (March 31, 2025: Nil customer) which is more than 10 percent of the Company's total Trade receivables.

b) Liquidity Risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly to meet obligations when due. The Group's exposure to liquidity risk arises primarily from mismatches of maturities of financial assets and liabilities.

The Group manages the liquidity risk by (i) maintaining adequate and sufficient cash and cash equivalents (ii) making available the funds from realizing timely maturities of financial assets to meet the obligations when due. The Management monitors rolling forecast of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows. Also, the Group manages the liquidity risk by projecting cash flows considering the level of liquid assets necessary to meet the obligations by matching the maturity profiles of financial assets and financial liabilities and monitoring Balance Sheet liquidity ratios. Further, the liquidity risk management involves matching the maturity profiles of financial assets and financial liabilities.

c) Maturity profile

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, including contractual interest but excluding impact of netting agreements.
